

# LEASIDE UNITED CHURCH RENOVATION UPDATE – March 2020

## BASEMENT – WORK IN PROGRESS:

Construction on an open reception and display area is being developed between the auditorium and new kitchen. The auditorium stage and storage cupboards have been removed.

This is the Architect's drawing of the open Reception and Display area.

VIEW BASEMENT WELCOME AREA

Fondly known as “Bob’s Office,” this Awesome Sale storage room beside the Auditorium is being prepared for the installation of 4 new gender-neutral washrooms.

The work in progress in the downstairs kitchen continues.

OVER . . .

Here is the gymnasium with the new floor and new ceiling. Lighting and lines on the gym floor are presently being applied.

See the new double door entry going from the kitchen to the gym.
